If elected as an Area Councillor, I will

- Ensure council services are provided efficiently and to the standard expected by the community
- Listen to the people of the Walkerville Council area and ensure their voice is heard
- Represent the residents and business owners across the Walkerville Council Area, raising issues and seeking resolution to these issues in a timely manner
- Work to create better public spaces across the Council area
- Act on Climate Change
- Work collaboratively with other Councillors
- Act ethically and with transparency
